Indiscriminate killings in J & K

1040. SHRIMATI VEENA VERMA: SHRI SUSHILKUMAR SAMBHAJIRAO SHINDE:

Will the PRIME MINISTER be pleased to state:

(a) whether terrorists and militants in Jammu and Kashmir have again taken to indiscriminate killings in the State, by way of planting bombs in busy places and the like;

(b) if so, the number and details of such incidents during June and July 1995, indicating the number of persons killed and injured;

(c) whether this has caused resentment and uprising amongst citizens against the security forces blaming lack of security rather than against the militants; and

(d) if so, what is Government's reaction thereto?

THE MINISTER OF STATE IN THE PRIME MINISTER'S OFFICE (SHRI BHUVNESH CHATURVEDI): (a) and (b) It is a fact that as the pressure of security forces on militants has continued and mounted, they have increasingly resorted to desperate acts of violence including attacks on soft targets and increasing use of explosive devices. According to available information, 191 incidents of bomb and other explosions etc. occurred in the State during June and July 1995. By their very nature, sneak activities of this nature are difficult to prevent completely.

(c) and (d) It is not a fact that there is any uprising among the people against the security forces for failure to provide security. On the other hand, there is resentment among the people against the activities of the militants, including acts of indiscriminate violence. It is also appreciated that the security forces have been exercising the utmost restraint in retaliation to such incidents in busy places to avoid harm to civilian life and property.
